## SO, WHO, & WHERE, ARE WE?

FOR MORE THAN 40 YEARS NOW THE GOVERNMENT HAS BEEN EXPROPRIATING A MASSIVE AREA OF FARMLAND, HOUSES FIELDS WETLANDS & FORESTS TO BUILD A NEW AIRPORT HIGHWAY BYPASS & TGV TRAIN LINE. THERE HAS BEEN A CONSTANT LOCAL RESISTANCE, WITH RESIDENTS COLLECTIVES & FARMERS ASSOCIATIONS ORGANISING DEMOS, TRACTOR BLOCKADES INFO-TALKS ABOUT THEIR OPPOSITION TO THE PROJECT. IN SEPT. 09, A CALL WAS MADE TO OCCUPY THE ABANDONED & THREATENED AREAS, WITH LOCAL SUPPORT. SO FAR THERE ARE 18 OCCUPIED AREAS, INCLUDING FARMHOUSES, FORESTS, & ABANDONED FIELDS. ALREADY WE HAVE A LIBRARY, BAKERY, TREEHOUSES, COLLECTIVE KITCHENS & GARDENS, ALL THAT ALLOWS US TO BE AS STRONG, AUTONOMOUS & SUSTAINABLE AS POSSIBLE WHILE BUILDING UP OUR RESISTANCE AGAINST THE AIRPORT. ALREADY THIS YEAR, AS WELL AS IN '09 & '10,

THERE HAVE BEEN PRELIMINARY WORKS ON THE BYPASS, WITH MACHINES PROTECTED BY UP TO 150 POLICE & MILITARY... SOME PLACES ARE THREATENED WITH EVICTION, OTHERS ARE BEING CREATED & OCCUPIED,

WE ARE + WILL CONTINUE TO BE A SPANNER IN THEIR WORKS!
